Thank you for contacting Bank of America. Below please find an overview of the short sale process guidelines. Please read them carefully, as non-compliance could lead to slower processing of your application.

- Before your property can be considered for a short sale, you will need to complete the attached short sale application in its entirety.
- A complete application includes:
 - o The pre-filled fax cover sheet
 - o Our four page application
 - o The preliminary, completed HUD 1 for the transaction
 - o A customer hardship letter
 - o 3rd party authorizations (ex. Realtor, Attorney, Title Company)
- We will not consider incomplete applications, and the inclusion of unnecessary information will only slow the handling of your application.
- Please fax the completed application to us at (336) 805-8727.
- Please do not call to confirm receipt of your application. Due to the volume of applications we receive, we are not able to confirm receipt of faxes. Your fax machine confirmation serves as sufficient confirmation that we have received your application.
- Applications are reviewed on a first-come, first-served basis. Once the process begins, an
 associate will be assigned to review your application, and you will receive a call regarding
 your application status. The current wait time is between 10-15 business days for the
 review process to begin on a completed application, so please be patient.
- If you do not receive a call from one of our associates within 15 business days of submitting your application, please call us at (866) 413-3757. If you call us prior to this time, we are unlikely to have begun the review of your application, and will be unable to help you.
- As you put together your short sale package, please note that we will decline offers that
 include excessive fees or charges such as realtor commissions or loss mitigation/short
 sale consulting fees.

transaction, including all payoffs, commissions and taxes:

- As a reminder, be sure to indicate in Line 504 the payoff amount that the 1st mortgage is receiving (please indicate if there is not a 1st mortgage to avoid confusion)
- Please place the amount being offered to Bank of America on the 2nd mortgage in Line 505 (not the entire payoff amount)
- Note that the final HUD 1 must be received before the short sale will be approved.

Please also attach a hardship letter, signed by the customer, which includes the following:

- Detail behind the financial hardship that necessitates a short sale
- Detail on how the customer plans to repay the remaining deficiency balance on this
 account
- The customer's new address.

NOTICE TO CUSTOMERS REGARDING SHORT SALES:

Bank of America and/or its investors may pursue a deficiency judgment for the difference in the payment received and the total balance due, unless agreed otherwise or prohibited by law, if the short sale closes on the loan referenced above. In addition, if this loan is covered by mortgage insurance, the mortgage insurance company may reserve the right to pursue the seller for the deficiency based on the terms of the mortgage insurance policy. Furthermore, there may be tax consequences associated with entering into a short sale. The seller is encouraged to seek the guidance from an independent tax advisor, and/or an attorney, before proceeding with the short sale.

If the seller is entitled to receive any proceeds based on a claim for damage to the property under any policy of insurance, including homeowner's, lender-placed, casualty, fire, flood, etc., or if seller is entitled to receive other miscellaneous proceeds, as that term is defined in the deed of trust/mortgage (which could include Community Development Block Grant Program (CDBG) funds), these proceeds must be disclosed before we will consider the request for short sale. If we receive a check for insurance or miscellaneous proceeds that were not previously disclosed, Bank of America will have the right to keep the proceeds and apply them to Bank of America's loss after the short sale. We similarly would have the right to claim the proceeds to offset our losses if it were not previously disclosed and it was sent directly to the borrower.
